3.05 Changes in Boundaries; Additions to Designated Common Areas. Declarant expressly reserves for itself and its affiliates and successors the right to change and realign the boundaries of the designated Common Areas and any Lots owned by Declarant, including the realignment of boundaries between adjacent Lots owned by Declarant; provided that any such change or realignment of boundaries shall not materially decrease the acreage of the designated Common Areas and shall be evidenced by a revision of or an addition to the Site Plan which shall be recorded in the records of the County Clerk for Oklahoma County, Oklahoma. In addition, Declarant reserves the right, but shall not have the obligation, to convey to the Association at any time and from time to time any Common Areas and as an addition to the Common Areas: (i) any

lakes, pond or fresh water wetlands owned by Declarant which are located on the Property and (ii) any streets, roads, or rights-of-way located within the Development.

3.06 Easements for Maintenance and Utilities. There is hereby reserved for the benefit of Declarant, the Association, and their respective successors and assigns, the alienable, transferable, and perpetual right and easement as well as the power to grant and accept easements to and from any public authority or agency, public service district, public or private utility or other Person, upon, over, under, and across: (i) all of the Common Areas, (ii) all land located within the Maintenance Easement created by Declarant and recorded in the Oklahoma County Land Records at Book 13725, Page 1699 on May 3, 2018 attached hereto as Exhibit "C", the Utility Service Easement created by Declarant and recorded in the Oklahoma County Land Records at Book 13850, Page 869 on October 2, 2018 attached hereto as Exhibit "D" and any similar Maintenance Easements recorded by Declarant within the Property and (iii) any utility easement noted or described on the Site Plan, for the purpose of installing, replacing, repairing, maintaining, and using master television antenna and/or cable systems, security and similar systems, and all utilities, including, but not limited to storm sewers and drainage systems and electrical, gas, telephone, cable television, water, sewer, advanced water treatment, and irrigation lines. Except in the event of emergencies, this easement is to be exercised only during normal business hours and then, whenever practicable, only upon advance notice to and with permission of the Owner, or Occupant of the Lot directly affected thereby.

3.08 Sales and Construction Offices. Notwithstanding any provisions or restrictions herein to the contrary, there is hereby reserved for the benefit of Declarant and its affiliates, successors and assigns and other Builders approved by Declarant, the alienable and transferable right and easement in and to the Property for the construction and maintenance of signs, sales offices, construction offices, business offices, and model Dwellings, together with such other facilities as in the sole opinion of Declarant may be reasonably required, convenient, or incidental to the completion of improvements, or sale of Lots, Dwellings, or Common Areas for so long as Declarant owns any Lot primarily for the purpose of sale. Common Area located between the boundary line of his or her Lot, and the street or other property on which such Owner's Lot abuts, neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material, and shall take appropriate steps to prevent and retard erosion of such Owner's Lot including, but not limited to, maintenance of any drainage and environmental easement which may exist on a portion of such Lot. Notwithstanding the foregoing, such Owner shall not be responsible for maintenance of any area as to which Declarant or the Association has assumed, pursuant to this Declaration or otherwise in writing, the responsibility for maintenance. If an Owner fails to perform the maintenance described above, Declarant, the Association, or their authorized agents shall have the right at any reasonable time to enter upon any Lot of an Owner to plant, replace, maintain, and locate thereon, and take such measures as may be reasonably necessary to perform such maintenance and to prevent or retard erosion, and the cost thereof shall be assessed to the Owner as hereafter provided. The cost of such maintenance shall be a personal liability of the Owner. The Owner shall reimburse the Association or Declarant for the cost of such maintenance immediately upon being given notice in writing of the cost thereof. In the event reimbursement is not made to the Association or Declarant within three (3) days after such notice to the Owner, then the cost of such maintenance shall become a lien on the Owner's Lot, which lien may be enforced by the Association in the same manner as provided in the Declaration for enforcement of delinquent Assessments.

3.10 Environmental Easement. There is hereby reserved for the benefit of Declarant, the Association, and their respective agents, employees, successors, and assigns, an alienable, transferable, and perpetual right and easement on, over, and across all Lots for the purpose of taking any action necessary to effect compliance with environmental rules, regulations or procedures from time to time promulgated or instituted by the Board of Directors or by any governmental entity, such easement to include, without limitation, the right to implement erosion control procedures and practices, the right to drain standing water, and the right to dispense pesticides and herbicides.

Except as set forth above, the pumping of water from any pond, lake or other body of water within the Development for any purpose other than fire fighting is prohibited without the express written permission of the Declarant.

3.12 No Partition. There shall be no judicial partition of the Development or any part thereof, nor shall any Person acquiring any interest in the Development or any part thereof seek

any such judicial partition unless the Development has been removed from the provisions of this Declaration.

ARTICLE 4

MEMBERSHIP

4.01 Voting. The Association shall have two (2) classes of voting membership:

(a) Class A. Class A members shall consist of all Owners of Lots or Dwellings not owned by Declarant or a Declarant Owner. Class A members shall be entitled to one (1) vote for each Lot owned.

(b) Class B. The sole class B member shall be the Declarant, who shall be entitled to five (5) votes for each Lot owned by Declarant or a Declarant Owner. Upon sale of a Lot by Declarant or a Declarant Owner to a third party, the Owner of such Lot shall become a class A member with respect to such Lot. Class B shall cease and be converted to a Class A membership with respect to all Lots or Dwellings owned by Declarant or a Declarant Owner upon the earlier of the occurrence of any of the following events: (i) Declarant in its sole discretion so determines and notifies the Association in writing; (ii) Ninety (90) days following the date Declarant or Declarant Owners have sold all Lots which they hold primarily for sale; or (iii) January 1, 2028.

4.02 Membership. Membership shall be appurtenant to and may not be separated from ownership of any Lot, and ownership of a Lot shall be the sole qualification for such membership. In the event that record title to a Lot is transferred or otherwise conveyed, the membership in the Association which is appurtenant thereto shall automatically pass to such transferee. The foregoing is not intended to include Mortgagees or any other Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate or otherwise affect an Owner's membership in the Association. Where a Mortgagee or other Person holding an interest in a Lot as security for the performance of an obligation acquires title to such Lot through a Foreclosure, such Mortgagee or other transferee shall be deemed to have membership in the Association upon acquiring title to such Lot. No Owner, whether one or more Persons, shall have more than one membership per Lot. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership, including the right to vote and to hold an office in the Association, may be exercised by a member, but in no event shall more than one vote be cast or more than one office held for each Lot (excluding the Class B member). When more than one Person holds an interest in any Lot, the vote for such Lot shall be exercised as those Owners of such Lot determine and notify the Secretary or an Assistant Secretary of the Association prior to any meeting. In the absence of such notice, the vote appurtenant to such Lot shall be suspended in the event more than one Person seeks to exercise it. Such a suspended vote shall be counted for the purpose of calculating a quorum, but such a suspended vote shall not be cast with regard to voting matters of the Association until the

Persons owning such Lot determine how such vote shall be cast and so advise the Secretary or Assistant Secretary of the Association.

4.03 Membership in Residents' Club. Subject to the limitations and provisions of this Declaration and the Rules and Regulations established by the Board, each member of the Association shall also be a Member of the Residents' Club. Membership in the Residents' Club shall only be transferable as an appurtenance to membership in the Association and may not be separately bought, sold, assigned or licensed. Declarant shall have the option to include Owners in Town Square Addition Sections 5-8 as Members of the Residents' Club so long as a portion of the Assessments payable by such Owners equal to the then annual dues payable by an Associate Member are dedicated to, and paid to, the Residents' Club. If Declarant exercises this option, initial Assessments for Town Square Addition Sections that are included shall be not less than \$995 per year, inclusive of the Annual Fee for Associate Membership in the Residents' Club.

ARTICLE 5

MAINTENANCE

5.01 Responsibilities of Owners. Unless specifically identified herein as being the responsibility of the Association, all maintenance and repair of Lots and Dwellings, together with all other improvements thereon or therein and all lawns, landscaping, and grounds on and within a Lot shall be the responsibility of the Owner of such Lot. Each Owner shall be responsible for maintaining his or her Lot, as the case may be, in a neat, clean, and sanitary condition, and such responsibility shall include the maintenance and care of all exterior surfaces of all Dwellings, buildings, and other structures and all lawns, trees, shrubs, hedges, grass, and other landscaping. As provided in Section 5.03 hereof, each Owner shall also be obligated to pay for the costs incurred by the Association for repairing, replacing, maintaining, or cleaning any item which is the responsibility of such Owner and which such Owner fails or refuses to discharge. Except for the Declarant, no Owner shall: (i) place any improvement on any Lot unless plans for such improvement have been first approved, in writing, by the Committee in accordance with the Building Guidelines and as provided in Article 9 hereof, (ii) decorate, change, or otherwise alter the appearance of any portion of the exterior of a Dwelling, building or other improvement or the landscaping, grounds, or other improvements within a Lot unless such decoration, change, or alteration is first approved, in writing, by the Committee in accordance with the Building Guidelines and as provided in Article 9 hereof, or (iii) do any work which, in the reasonable opinion of the Committee, would jeopardize the soundness and safety of the Development, reduce the value thereof, or impair any easement or hereditaments thereto, without in every such case obtaining the written approval of the Committee and the Declarant so long as Declarant owns any Lot primarily for the purpose of sale.

5.02 Association's Responsibility. The Association, at its expense, shall provide the following services to maintain and keep in a manner, which the Association, in its sole discretion, deems appropriate for the beauty and benefit of the Property, the following on each Lot:

- a. the lawn on each Lot, including fertilizing, pre-emergent and weed control, limited to no more than one mowing and trimming per week in the growing season;
- b. the front landscaping beds year round limited to one weeding/maintenance of landscaping beds per month;
- c. the private driveways and alley system, including snow removal from driveways.

The Association shall not have responsibility to maintain, weed or trim any landscaping, sprinkler systems, sidewalks or drives installed by the Owner. The Association may, by adoption of appropriate rules and regulations, allow Owners to opt out of certain of the above services (such as by receiving flats of flowers for self-planting), but in no event shall any such opt-out reduce the Assessment due on any Lot. Except as may be herein otherwise specifically provided, the Association shall maintain and keep in good repair all portions of the Common Areas, which responsibility shall include the maintenance, repair, and replacement of: (i) all walks, trails, lakes, ponds, streets, front gates, parking lots, landscaping, landscaped areas, and other improvements situated within the Common Areas, and (ii) such security systems and utility lines, pipes, plumbing, wires, conduits, and related systems which are a part of the Common Areas and which are not maintained by a public authority, public service district, public or private utility, or other Person. It shall be the sole responsibility of the Association to maintain any structures located on the Common Area, including the playground, clubhouse, pool, pool house, fitness center and other recreational facilities erected or placed in the Common Areas. The Association shall not be liable for injury or damage to any Person or property: (A) caused by weather conditions or by any Owner or any other Person not acting as either an agent or employee of the Association, (B) resulting from any rain or other surface water which may leak or flow from any portion of the Common Areas, or (C) caused by any pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair, nor shall the Association be liable to any Owner for loss or damage, by theft or otherwise, of any property of such Owner which may be stored in or upon any portion of the Common Areas or any other portion of the Property. No diminution or abatement of Assessments, fees, or charges shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay such Assessments, fees, and charges being a separate and independent covenant on the part of each Owner.

5.03 Failure by Owners to Maintain. In the event that Declarant or the Board of Directors determines that: (i) any Owner has failed or refused to discharge properly his or her obligations with regard to the maintenance, cleaning, repair, or replacement of items for which he or she is responsible hereunder, or (ii) the need for maintenance, cleaning, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his or her family, tenants, guests, or invitees, and is not covered or paid for by insurance

in whole or in part, then, in either event, Declarant or the Association, except in the event of an emergency situation, may give such Owner written notice of Declarant's or the Association's intent to provide such necessary maintenance, cleaning, repair, or replacement, at the sole cost and expense of such Owner and setting forth with reasonable particularity the maintenance, cleaning, repairs, or replacement deemed necessary. Except in the event of emergency situations, such Owner shall have fifteen (15) days within which to complete maintenance, cleaning, repair or replacement in a good and workmanlike manner, or in the event that such maintenance, cleaning, repair, or replacement is not capable of completion within said fifteen (15) day period, to commence said maintenance, cleaning, repair, or replacement and diligently proceed to complete the same in a good and workmanlike manner. In the event of emergency situations or the failure of any Owner to comply with the provisions hereof after such notice, Declarant or the Association may provide (but shall not have the obligation to so provide) any such maintenance, cleaning, repair, or replacement at the sole cost and expense of such Owner and said cost shall be added to and become a part of the Assessments to which such Owner and his or her Lot are subject and shall become a lien against such Lot. In the event that Declarant undertakes such maintenance, cleaning, repair or replacement, the Association shall promptly reimburse Declarant for Declarant's costs and expenses.

ARTICLE 6

INSURANCE AND CASUALTY LOSSES

6.01 Insurance. The Board of Directors or its duly authorized agents shall have the authority to and shall obtain insurance for the improvements in the Common Areas, in such form as the Board deems appropriate, for the benefit of the Association, insuring all insurable improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and malicious mischief, such coverage to be in an amount sufficient to cover the full replacement cost (without depreciation but subject to such deductible levels as are deemed reasonable by the Board) of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board or its duly authorized agents shall have the authority to and shall obtain and continue in effect a public liability policy covering all the Common Areas and all damage or injury caused by the negligence of the Association, its members, directors, officers, or any agents. Such public liability policy shall provide such coverages as are determined to be necessary by the Board of Directors. The Board or its duly authorized agents shall have the authority and shall obtain: (i) workers' compensation insurance to the extent necessary to comply with any applicable laws, and (ii) such other types and amounts of insurance as may be determined by the Board to be necessary or desirable. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, and the costs of all such coverage shall be a Common Expense. Exclusive authority to adjust losses under policies obtained by the Association and hereafter in force with respect to the Development shall be vested in the Board of Directors. Insofar as permitted by law, to the extent the Board determines insurance coverage is necessary, the Association shall be required to make every effort to secure insurance policies with the provisions hereinafter set forth. It shall be the individual responsibility of each Owner of a Lot at his or her own expense to provide, as he or

she sees fit, public liability, property damage, title, and other insurance with respect to his or her Lot.

6.02 Damage or Destruction to Lots or Dwellings. In the event of damage or destruction by fire or other casualty to any Lots or Dwellings and in the further event that the Owner of such Lot responsible for the repair and replacement thereof, as the case may be, elects not to repair or rebuild the damaged or destroyed Lot, such Owner making such election shall promptly clear away the ruins and debris of any damaged improvements or vegetation and leave such Lot in a clean, orderly, safe, and attractive condition. Should such Owner elect to repair or rebuild such Dwelling or other improvement, such Owner shall repair or rebuild such Dwelling or other improvements to substantially the same condition as existed prior to such fire or other casualty and in accordance with all applicable Building Guidelines, standards, restrictions, and provisions of this Declaration and the Committee (including, without limitation, Article 9 hereof). All such work or repair or construction shall be commenced promptly following such damage or destruction and shall be carried through diligently to conclusion.

ARTICLE 7

ADMINISTRATION

7.01 Common Areas. The Association, subject to the rights of Declarant and the rights and duties of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Areas and all improvements thereon (including furnishings and equipment related thereto) and shall keep the same in a good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions thereof. To the extent any governmental body is responsible for maintenance of any part of the Common Areas, the Association shall not be responsible for maintenance thereof. Except to the extent otherwise required by the provisions of the applicable laws relating to nonprofit corporations, this Declaration, the Bylaws, or the Certificate of Incorporation, the powers herein or otherwise granted to the Association may be exercised by the Board of Directors, acting through the officers of the Association, without any further consent or action on the part of the Owners.

7.02 Duties and Powers. The duties and powers of the Association shall be those set forth in the provisions of the applicable laws relating to nonprofit corporations, this Declaration, the Bylaws, and the Certificate of Incorporation, together with those reasonably implied to effect the purposes of the Association; provided, however, that if there are conflicts or inconsistencies between such laws, this Declaration, the Bylaws, or the Certificate of Incorporation, the provisions of the laws, this Declaration, the Bylaws, or the Certificate of Incorporation, in that order, shall prevail, and each Owner of a Lot by acceptance of a deed or other conveyance therefor, grants to the Board a power of attorney to vote in favor of such amendments as will remove such conflicts or inconsistencies. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. Such powers of the Association shall include, but shall not be limited

to, the power to purchase or otherwise receive title to one or more Lots, Dwellings, or Common Areas and to hold, lease, mortgage, sell, and convey the same. Such powers include, but shall not be limited to, arranging with governmental agencies, public service districts, public or private utilities, or others, as a Common Expense or by billing directly to Owners of Lots and Dwellings, to furnish trash collections, water, sewer, and/or security service or a security guard for the Common Areas and/or the Lots, and/or Dwellings. Notwithstanding the provisions of this Declaration to the contrary, unless and until Declarant relinquishes the right to appoint and remove members of the Board as provided under Section 11.01, as long as Declarant or any Declarant Owner shall own any Lot primarily for the purpose of sale, the Association shall not, without the consent of Declarant, borrow money or pledge, mortgage, or hypothecate all or any portion of the Common Areas.

7.03 Agreements. Subject to the prior approval of Declarant as long as Declarant or any Declarant Owner owns a Lot primarily for the purpose of sale, all agreements and actions lawfully authorized by the Board of Directors shall be binding upon all Owners, their heirs, legal representatives, successors, and assigns, and all others having an interest in the Development or the privilege of possession and enjoyment of any part of the Development, and, in performing its responsibilities hereunder, the Association, through its Board of Directors, shall have the authority to delegate to Persons of its choice such duties of the Association as may be determined by the Board of Directors. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any Person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of the Development, whether such personnel are furnished or employed directly by the Association or by any Person or entity with whom or with which it contracts. All costs and expenses incident to the employment of a manager shall be a Common Expense. During the term of such management agreement, such manager may, if authorized by the Board of Directors, exercise all of the powers and shall be responsible for the performance of all the duties of the Association, excepting any of those powers or duties specifically and exclusively reserved to the directors, officers, or members of the Association by this Declaration or the Bylaws. Such manager may be an individual, corporation, or other legal entity, as the Board of Directors shall determine, and may be bonded in such a manner as the Board of Directors may require, with the cost of acquiring any such bond to be a Common Expense. In addition, the Association may pay for, and the Board of Directors may hire and contract for, such legal, accounting and other professional services as are necessary or desirable in connection with the operation of the Development or the enforcement of this Declaration, the Bylaws, or the rules and regulations of the Association.

7.04 Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire and hold tangible and intangible personal property and real property and may dispose of the same by sale or otherwise. All funds received and title to all properties acquired by the Association and the proceeds thereof, after deducting therefrom the costs incurred by the Association in acquiring or selling the same, shall be held by and for the benefit of the Association.

7.05 Rules and Regulations. As provided in Article 10 hereof, the Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the sale of the Lots, and Dwellings, which rules and regulations shall be consistent with the rights and duties established by this Declaration.

7.06 Rights and Obligations of Members and Associate Members of the Residents' Club. Subject to rules and regulations adopted by the Board, Members and their immediate families, and upon payment of the applicable Annual Fee, Associate Members and their immediate families, shall have access to the amenities of the Residents' Club at no additional charge. Provided, however, that no person eligible to be a Member or Associate Member in the Residents' Club shall be denied access except for failure to pay their Assessments or Annual Fee or for conduct by the Member or Associate Member or their families or invitees that, as determined by a vote of the Board: (i) is a threat to the safety of the Member, Associate Member or other persons, (ii) damages or is likely to damage the property of the Association or others or (iii) is outside the norms for decorum, civility or good behavior, including the abuse of alcohol or other legal substance or the use of any illegal substance on the premises of the Resident's Club. No person who is not a Member or Associate Member or the immediate family of a Member or Associate Member shall have access to the Residents' Club unless invited by a Member or Associate Member and then only subject to the limitations, rules and regulations and any access fees established by the Association.

7.07 Associate Members of the Residents' Club; Rules and Regulations; Fees and Charges for use of Residents' Club. Only Owners of Lots in Town Square Addition Sections 1-4 and McCaleb Homes, Inc. full-time employees shall be eligible to become Associate Members of the Residents Club. Such Owners shall become Associate Members upon payment of their Annual Fee. The Board shall establish rules and regulations and shall charge an Annual Fee for Associate Membership. The initial Annual Fee for Associate Membership shall be \$500 per year and may be increased by the Board no more than ten percent (10%) each year. Annual Fees shall be billed and paid on a calendar year basis beginning January 1, 2019 and shall not be prorated for partial year membership. Unexpired Associate Memberships shall be appurtenant to ownership of Lots in Town Square Addition Sections 1-4 and shall transfer with title to such Lots. Associate Members shall not be assessable in excess of their Annual Fee and shall have no voting rights in the Association or with respect to the Residents' Club.

7.08 Termination of Associate Membership Rights; Termination of the Residents' Club. The Association may terminate the Associate Member program and the rights of Town Square Sections 1-4 Owners to be Associate Members at any time after December 31, 2050. The Residents' Club may be terminated only by amending these Declarations in accord with Article 11 below.

7.09 Rights of McCaleb Homes, Inc. in Residents' Club. All full-time employees of McCaleb Homes, Inc. shall be Associate Members of the Residents' Club without charge until January 1, 2023. From and after January 1, 2023, such employees shall be entitled to remain Associate Members on payment of the annual fee applicable to all other Associate Members.

ARTICLE 8

ASSESSMENTS

8.01 Purpose of Assessments. The Assessments for Common Expenses provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Development and maintaining the Development and improvements therein, including the Residents' Club, all as may be more specifically authorized from time to time by the Board of Directors.

8.02 Creation of Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed or other conveyance thereof, whether or not it shall be so expressed in such deed or conveyance, is deemed to covenant and agree to pay to the Association: (i) annual Assessments to be established and collected as provided in Section 8.03 hereof, (ii) special Assessments to be established and collected as provided in Section 8.05 hereof, (iii) individual or specific Assessments against any particular Lot, which are established pursuant to the terms of this Declaration, including, but not limited to, as may be imposed against such Lot, in accordance with Article 10 hereof. Any such Assessments, together with late charges, simple interest at eighteen percent (18%) per annum, and court costs and attorneys' fees incurred to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon the Lot, the Owner of which is responsible for payment. Each Owner shall be personally liable for Assessments coming due while he or she is the Owner of a Lot, and his or her grantee shall take title to such Lot subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his or her grantor any amounts paid by such grantee therefore. In the event of co-ownership of any Lot, all of such co-owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; provided that, unless otherwise provided by the Board, the annual Assessments shall be paid in advance at the beginning of the fiscal year of the Association. Neither the Declarant or any Declarant Owner shall not be liable for and shall not pay any Assessments for Lots or Dwellings owned by Declarant or a Declarant Owner and no lien or charge shall arise, under this Declaration or otherwise, for any Assessments attributable to such Lots or Dwellings.

8.03 Computation of Annual Assessments. It shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated Common Expenses during the coming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The Board shall cause a copy of the budget and the proposed total of the annual Assessments to be levied against Lots and Dwellings for the following year to be delivered to each Owner at least fifteen (15) days prior to such meeting. The Board may not raise Assessments more than 10% over the previous year, unless the budget demonstrates that the basic financial needs of the Association, including the Residents' Club, cannot be met without a larger increase and the Owners, by a majority vote of all Owners, approve such increase. The budget and the annual Assessments shall become effective unless disapproved at the annual meeting by either: (i) Declarant, as long as Declarant has the authority to appoint

and remove directors and officers of the Association pursuant to Article 11, (ii) a vote of a majority of the votes of the Owners in Class A and Class B, if applicable, who are voting in Person or by proxy at such meeting or (iii) the annual increase is greater than 10% and the budget is not approved by a majority of the Owners in Class A and Class B, if applicable. Notwithstanding the foregoing, in the event the proposed budget is not approved or the Board fails for any reason to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget and annual Assessments in effect for the then current year shall be increased in proportion by ten (10%) percent of the budget and annual Assessments for the previous year, and such increased budget shall be implemented for the succeeding year, until a new budget shall have been approved as provided above. If any budget at any time proves inadequate for any reason, then the Board may call a meeting of the Association for the approval of a special Assessment as provided in Section 8.05 hereof. The Owner of each Lot shall pay annual Assessments, if any, beginning on January 1, 2019. Class A members shall pay an amount not less than \$1,800.00 per Lot.

8.04 Common Expenses. The Common Expenses to be funded by the annual Assessments may include, but shall not necessarily be limited to, the following: (i) Management fees and expenses of administration, including legal and accounting fees; (ii) Utility charges for utilities serving the Common Areas and charges for other common services for the Development, including trash collection and security services, if any such services or charges are provided or paid by the Association; (iii) The cost of any policies of insurance purchased for the benefit of the Association as required or permitted by this Declaration, including fire, flood, and other hazard coverage, public liability coverage, and such other insurance coverage as the Board of Directors determines to be in the interests of the Association; (iv) The expenses of maintenance, operation, and repair of those portions of the Common Areas which are the responsibility of the Association under the provisions of this Declaration, including the Residents' Club; (v) The expenses of maintenance, operation, and repair of other amenities and facilities serving the Development, the maintenance, operation, and repair of which the Board from time to time determines to be in the best interest of the Association; (vi) The expenses of the Committee which are not defrayed by plan review charges; (vii) Ad valorem real and personal property taxes assessed and levied against the Common Areas; (viii) The expenses for marketing and conducting recreational, cultural, or other related programs for the benefit of the Owners and their families, tenants, guests, and invitees; (ix) Such other expenses as may be determined from time to time by the Board of Directors to be Common Expenses, including, without limitation, taxes and governmental charges not separately assessed against Lots or Dwellings; (x) The expenses of maintenance, operation, repair and reconstruction of any and all roadways, pathways, trails, lakes, waterways and landscaped areas within the Property and additional property which have not been designated as Common Areas but which have been conveyed to, and accepted by, the Association; (xi) All expenses associated with the acquisition and employment of individuals or entities supplying security services to the Association on behalf of the Owners of Lots and Dwellings within the Development; and (xii) The establishment and maintenance of a reasonable reserve fund or funds: (a) for maintenance, repair, and replacement of those portions of the Common Areas which are the responsibility of the Association and which must be maintained, repaired, or replaced on a periodic basis; (b) to cover emergencies and repairs required as a result of casualties which are not funded

by insurance proceeds; and (c) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board of Directors.

8.05 Special Assessments. In addition to the annual Assessments authorized above, the Association, acting through its Board of Directors, may levy, in any assessment year, special Assessments for Common Expenses, applicable to that year only; provided that, any such Assessments shall be approved by: (i) Declarant, as long as Declarant or any Declarant Owner owns any Lot primarily for the purpose of sale, and (ii) by a majority vote of the Owners who are entitled to vote in Person or by proxy in Class A and Class B at a meeting duly called for this purpose in accordance with the provisions of Section 8.07 hereof. The Board of Directors may make such special Assessments payable in installments over a period which may, in the Board's discretion, extend in excess of the fiscal year in which adopted. Such special Assessments are to be prorated among the Lots and Dwellings as provided with respect to annual Assessments.

8.06 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by the family, tenants, agents, guests, or invitees of any Owner shall be specially assessed against such Owners and their respective Lots or Dwellings. The individual Assessments provided in this Section 8.06 shall be levied by the Board of Directors, and the amount and due date of such Assessments so levied by the Board shall be as specified by the Board.

8.07 Notice of Meeting and Quorum. Written notice of the annual meeting of the Association, as well as any other meeting called for the purpose of taking any action authorized under this Article 8, shall be sent to all Owners not less than fifteen (15) days or more than forty-five (45) days in advance of such meetings. With respect to annual meetings, the presence of Owners or proxies entitled to cast over one-half ($\frac{1}{2}$) of all the votes in Class A and Class B of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners having one-third ($\frac{1}{3}$) of the total votes of Class A and Class B of the Association. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

8.08 Liens. All sums assessed against any Lot pursuant to this Declaration, together with court costs, reasonable attorneys' fees, late charges, and interest as provided herein, shall be secured by an equitable charge and continuing lien on such Lot in favor of the Association. Such liens shall be superior to all other liens and encumbrances on such Lot except only for: (i) liens of ad valorem taxes, and (ii) liens for all sums unpaid on a prior Mortgage or on any Mortgage of Declarant, or its affiliates, successors, or assigns, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument.

8.09 Effect of Nonpayment: Remedies of the Association. Any Assessment or charge of an Owner or any portion thereof that is not paid when due shall be considered delinquent. Any Assessment or charge that is delinquent for a period of more than ten (10) days after the date when

due shall incur a later charge in an amount as may be determined by the Board from time to time, but not to exceed five percent (5%) of the amount due, and shall also commence to accrue simple interest at the rate of eighteen percent (18%) per annum. A lien and equitable charge as herein provided for each Assessment or charge shall attach simultaneously as the same shall become due and payable, and if an Assessment or charge has not been paid within thirty (30) days, the entire unpaid balance of the Assessment or charge may be accelerated at the option of the Board and be declared due and payable in full. The continuing lien and equitable charge of such Assessment or charge shall include any late charge established by the Board of Directors, as provided above, interest on the principal amount due at the rate of eighteen percent (18%) per annum and all costs of collection (including reasonable attorneys' fees and court costs), and any other amounts provided or permitted hereunder or by law. In the event that the Assessment or charge remains unpaid after sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. The equitable charge and lien provided in this Article shall be in favor of the Association, and each Owner, by his or her acceptance of a deed or other conveyance to a Lot vests in the Association, and its agents the right and power to bring all actions against him or her personally for the collection of such Assessments and charges as a debt and/or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage, and convey the same. No Owner may waive or otherwise escape liability for the Assessments and charges provided herein, including by way of illustration but not limitation, non-use of the Common Areas or abandonment of his or her Lot, and an Owner shall remain personally liable for Assessments, charges, interest, and late charges which accrue prior to a sale, transfer, or other conveyance of his or her Lot.

8.10 Certificate. The Treasurer, Assistant Treasurer or the manager of the Association shall, within ten (10) days of a written request and upon payment of such fee as is from time to time determined by the Board of Directors, furnish to any Owner or Mortgagee which requests the same, a certificate in writing signed by said Treasurer, Assistant Treasurer, or manager setting forth whether the Assessments and charges for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and owing, together with accrued interest, and other penalty charges. Such certificate shall be conclusive evidence, against all but such Owner, of payment of any Assessments and charges stated therein to have been paid.

8.11 Assessments Against Declarant or Declarant Owners. Notwithstanding anything contained herein, neither the Declarant nor any Declarant Owner shall be required to pay any Assessments for any Lot, Dwelling or for any Common Areas owned by Declarant or any Declarant Owner.

ARTICLE 9

ARCHITECTURAL STANDARDS AND USE RESTRICTIONS

9.01 Purpose; Architectural Harmony. In order to preserve the natural setting and beauty of the Development, to establish and preserve a harmonious and aesthetically pleasing

design for the Development, and to protect and promote the value of the Development, the Lots, Dwellings, and all improvements located therein or thereon shall be subject to the restrictions set forth in this Article 9. Every grantee of any interest in the Development, by acceptance of a deed or other conveyance of such interest, agrees to be bound by the provisions of this Article 9. To preserve the architectural harmony and aesthetics, all Dwellings and other structures constructed in the Development shall be of a “historical preservation” style, which is generally defined to include craftsman, mission, English Tudor, Georgian and other styles similar to those commonly constructed in the first half of the Twentieth Century. All designs and plans are subject to the procedures and approval of the Committee as defined in this Section 9.

9.02 Architectural Standards Committee. The Board of Directors shall establish the Architectural Standards Committee, hereinafter the “**Committee**” of not less than three (3) Owners. Upon the recording of this Declaration, the Declarant or the Declarant’s designated representative, at its option, shall serve as the initial Committee and shall continue to function and administer the provisions of this Declaration until all of the Lots are sold and construction has been completed on all such Lots, at which time the Board of Directors shall establish a separate Committee as provided in this Section 9.02. During the tenure of the designees of Declarant as the Committee, the Committee shall possess all of the rights and powers and shall undertake all of the obligations and duties as set forth in this Article 9; provided, however, that at the Declarant’s option, Declarant may appoint an owner of a Dwelling as an advisory member of the Committee without vote. Any member appointed by the Board may be removed with or without cause by the Board at any time by written notice to such appointee, and a successor or successors appointed to fill such vacancy shall serve the remainder of the term of the former member. The Committee shall elect a chairman and he or she shall be the presiding officer at its meetings. The Committee shall meet as necessary to carry out its business and promptly decide upon plans submitted to it, as well as upon call of the chairman, and all meetings shall be held at such places as may be designated by the chairman. A majority of the members of the Committee shall constitute a quorum for the transaction of business. An affirmative vote of a majority of those present in person or by proxy at a meeting of the Committee shall constitute the action of the Committee on any matter before it. The Committee is authorized to retain the services of consulting architects, landscape architects, urban designers, engineers, inspectors, attorneys, and/or other professionals in order to advise and assist the Committee in performing its functions set forth herein. The Committee is hereby empowered to establish and promulgate building guidelines that are no less restrictive than the requirements than the requirements of these covenants (herein, the requirements of these covenants and any adopted building guidelines are referred to herein as “Building Guidelines”) and architectural and landscaping policies and procedures to which all Owners must adhere, with the exception of Declarant, in undertaking any improvement within any Lot, Dwelling, or Common Area.

9.03 Permitted Improvements. No improvements of any nature whatsoever shall be constructed, altered, added to, or maintained upon any part of the Development, without the prior written approval of the Committee, except: (i) for Dwellings and other improvements which are constructed by Declarant, (ii) such improvements as are approved by the Committee in accordance

with this Article 9, or (iii) improvements which pursuant to this Article 9 do not require the consent of the Committee.

9.04 Construction of Improvements.

9.04.01 Set-back Requirements; Location of Improvements. All buildings, structures, or other improvements (excepting sidewalks and driveways) on or with respect to any Lot shall be constructed in accordance with the Building Guidelines established by the Committee from time to time and shall be located only within the set-back lines specified on the plats thereof recorded at the time of submission of said Lots or Dwellings to this Declaration; provided that the Committee shall be empowered to grant variances with respect to such set-back lines. Dwellings shall be constructed on and along certain Lot lines in accordance with the schedule attached hereto as Exhibit "E".

9.04.02 Payment and Performance Bonds. The Committee, in its sole discretion, may require that any Owner, contractor and/or subcontractor for any planned improvements within the Development post payment and/or performance bonds with the Committee to ensure that such contractor or subcontractor shall satisfactorily complete such improvements, or to cover any repairs to the Common Area necessitated by construction activity. Such bonds shall be in the name of the Association and to be in form and amount satisfactory to the Committee. Furthermore, the Committee, in its sole discretion, may require that an Owner place in escrow with the Committee a sum of no more than Two Thousand Five Hundred and No/100 Dollars (\$2,500.00) in order to ensure that completion of all improvements, including landscaping, in accordance with this Section 9.04 and in Section 9.06 hereof.

9.04.03 Commencement and Completion of Construction of Improvements. The exterior of any improvements shall be commenced no later than twenty-four (24) months from the date of purchase of the Lot. The exterior of any improvements permitted by this Declaration shall be completed and a Certificate of Occupancy shall be obtained within eighteen (18) months after the construction of same shall have been commenced, except where the Committee allows for an extension of time because such completion within such time is impossible or would result in great hardship to the Owner or builder thereof due to strikes, national emergencies, fires, floods, lightning, earthquakes, or other casualties. In the event that such improvements or landscaping are not completed within the provided periods, the Committee shall be entitled to collect on or enforce any payment or performance bonds required hereunder so as to ensure the proper completion of any such improvements. Furthermore, the Committee shall be entitled to retain any sums so held in for such failure to complete, and such sums shall be remitted to and shall be the property of the Association. Any such sums so held in accordance with this Section shall, at the discretion of the Committee, be invested so as to earn interest, and any interest earned thereon shall be paid to the Owner making such deposit, if his or her deposit is refunded, or if remitted to the Association shall be the property of the Association.

9.04.04 Maintenance of Lot During Construction Activities. The Owner of any Lot shall require his or her contractors to maintain the Lot, in a reasonably clean and uncluttered

condition and all construction trash and debris shall be kept within refuse containers. Upon completion of construction, such Owner shall cause his or her contractors to immediately remove all equipment, tools, and construction material and debris from the Lot on which such construction has been completed.

9.05 Architectural Approval. To preserve the architectural and aesthetic appearance of the Development, no construction of improvements of any nature whatsoever shall be commenced or maintained by any Owner other than Declarant or a Declarant Owner, with respect to the construction of the exterior of any Dwelling or with respect to any other portion of the Development, including, without limitation, the construction or installation of sidewalks, driveways, parking lots, mail boxes, decks, patios, courtyards, swimming pools, tennis courts, greenhouses, pergolas, outdoor fireplaces, outdoor kitchens, playhouses, awnings, walls, fences, exterior lights, garages, guest or servants quarters, or other outbuildings, nor shall any exterior addition to or change or alteration therein be made, unless and until three (3) copies of the plans and specifications and related data shall have been submitted to and approved in writing, as to: (i) the harmony of external design; (ii) location; (iii) quality of design, workmanship and materials; (iv) appearance in relation to surrounding structures and topography; and (v) architectural uniformity with surrounding structures including the Dwelling, by the Committee. The Committee shall have the sole discretion to determine whether plans and specifications submitted for approval are acceptable to the Association. In connection with approval rights and to prevent excessive drainage or surface water run-off, the Committee shall have the right to establish a maximum percentage of a Lot which may be covered by Dwellings, buildings, structures, or other improvements, which standards shall be promulgated on the basis of topography, percolation rate of the soil, soil types and conditions, vegetation cover, and other environmental factors. Following approval of any plans and specifications by the Committee, representatives of the Committee shall have the right during reasonable hours to enter upon and inspect any Lot, or other improvements with respect to which construction is underway to determine whether or not the plans and specifications therefore have been approved or whether or not construction is in compliance with approved plans. In the event that Committee shall determine that such plans and specifications have not been approved or construction is not in compliance with approved plans, the Committee shall be entitled to enjoin further construction and to require the removal or correction of any work in place which does not comply with approved plans and specifications. Refusal of approval of plans and specifications may be based by the Committee upon any ground which is consistent with the objects and purposes of this Declaration, including purely aesthetic considerations, so long as such grounds are not arbitrary or capricious.

9.06 Landscaping.

9.06.01 Trees. Unless located within five (5) feet of a building or a recreational or parking facility, no trees, shrubs, bushes, or other vegetation having a trunk diameter of three (3) inches or more at a point of four (4) feet above ground level, shall be cut, removed or mutilated by any Owner without obtaining the prior approval of the Committee; provided that dead or diseased trees which are inspected and certified as dead or diseased by the Committee or its representatives, as well as other dead or diseased shrubs, bushes, or other vegetation shall be cut

and removed promptly from any Lot by the Owner of such Lot, as the case may be. If any Owner removes such a tree without the approval of the Committee as herein provided, the Owner shall replace the same with a tree of comparable value. In the event the Owner fails within thirty (30) days to satisfactorily replace the tree, the Owner shall pay the Association an assessment on demand in an amount not to exceed Two Thousand Five Hundred and No/100 Dollars (\$2,500.00) per lost tree, and the Association shall have the right to enter the Property for the purpose of replacing the tree. Said assessment will become a lien on the property of the Owner, and all provisions relative to Assessments herein shall apply to these Assessments.

9.06.02 Required Amount of Landscaping. Excluding the cost of purchase and installation of a sprinkler system and sod and excluding the cost of any retaining walls and fill, after construction of the initial Dwelling on a Lot, all Owners shall spend not less than Two Thousand Five Hundred Dollars (\$2,500.00) on landscaping, pursuant to the terms and conditions of this Section 9.06.

9.06.03 Approval Required. To preserve the aesthetic appearance of the Development, no landscaping, grading, excavation, or filling of any nature whatsoever shall be implemented and installed by any Owner other than Declarant, unless and until the plans therefore have been submitted to and approved in writing by the Committee. The provisions of Section 9.05 hereof regarding time for approval of plans, right to inspect, right to enjoin and/or require removal, etc. shall also be applicable to any proposed landscaping, clearing, grading, excavation, or filling. Such plans shall include a grading plan and calculation of the ratio of the area to be covered by grass lawns versus the area to be used otherwise, and the Committee shall be entitled to promulgate standards with respect to such ratios. Such landscape and grading plans shall be reviewed and approved with consideration to the harmony of the proposed landscape design to the environmental character in the surrounding area, integration of any structures and proposed landscaping to the character and nature of the surrounding area, the preservation of natural drainage patterns, the visual impact to surrounding areas and the establishment of adequate and sufficient shading and buffering with regard to the individual Lot to the surrounding area.

9.06.04 Completion of Landscaping. All of the landscaping of Lots and Dwellings must be completed within one (1) month of occupancy or substantial completion of the Dwelling, whichever date shall first occur.

9.07 Approval Not a Guarantee. No approval of plans and specifications and no publication of architectural standards and Building Guidelines shall be construed as representing or implying that such plans, specifications, or standards will, if followed, result in properly designed improvements. Such approvals and standards shall in no event be construed as representing or guaranteeing that any Dwelling or other improvement built in accordance therewith will be built in a good and workmanlike manner. Neither Declarant, the Association, nor the Committee shall be responsible or liable for any defects in any plans or specifications submitted, revised, or approved pursuant to the terms of this Article 9, nor any defects in construction undertaken pursuant to such plans and specifications.

9.08 Exterior Appearance.

9.09 Signs. Except as may be required by legal proceedings, no signs or advertising posters of any kind shall be maintained or permitted within any windows or on the exterior of any improvements located within the Development, without the express written permission of the Committee. The approval of any signs and posters, including, without limitation, name and address signs, shall be upon such conditions as may be from time to time determined by the Committee and may be arbitrarily withheld. Notwithstanding the foregoing, the restrictions of this Section 9.09 shall not apply to Declarant or Declarant Owners. In addition, the Board of Directors, on behalf of the Association, shall have the right to erect reasonable and appropriate signs on any portion of the Common Areas.

9.10 Unauthorized Signs. Any signs or posters displayed within the Development in violation of Section 9.09 may be reviewed by Declarant, and Declarant shall have the right to enter upon the premises where such signs or posters are displayed for the purpose of removing the unauthorized sign or poster without it being deemed a trespass.

9.11 Antennas. No television antenna, radio or television receiver, or other similar device shall be attached to or installed on any portion of the Development, unless contained entirely within the interior of a building or other structure, nor shall radio or television signals, nor any other form of electromagnetic radiation, be permitted to originate from any Lot which may unreasonably interfere with the reception of television or radio signals within the Development; provided, however, the Declarant and the Association shall not be prohibited from installing equipment necessary for master antenna, security, cable television, mobile radio, or other similar systems within the Development. Notwithstanding the foregoing, satellite dishes may be installed provided such dishes are not within sight of the front elevation of the Dwelling and not more than thirty-six (36) inches in diameter.

No structure for the care, housing, exercise or confinement of any animal shall be maintained on or in any of the Development so as to be visible from neighboring property without the prior written consent of the Committee. Upon the written request of any Owner, the Committee may conclusively determine, in its sole and absolute discretion, whether, for the purposes of this Section, a particular animal is a generally recognized house or yard pet, or a nuisance, or whether the number of animals on any such property is reasonable; provided however, that horses, mules, donkeys, cattle, pigs, goats and sheep shall not be considered as house or yard pets hereunder. The Committee may from time to time establish rules and regulations regarding pets and animals within the Development, and any decision, rule or regulation established or rendered by the Committee shall be enforceable as other restrictions contained herein.

9.13 Nuisances. No rubbish or debris of any kind shall be dumped, placed, or permitted to accumulate upon any portion of the Development, nor shall any nuisance or odors be permitted to exist or operate upon or arise from the Development, so as to render any portion thereof unsanitary, unsightly, offensive, or detrimental to Persons using or occupying any other portions of the Development. Noxious or offensive activities shall not be permitted on any Lot or in any part of the Common Areas, and each Owner, his or her family, tenants, guests, invitees, servants, and agents shall refrain from any act or use of a Lot or of the Common Areas which could cause disorderly, unsightly, or unkempt conditions, or which could cause embarrassment, discomfort, annoyance, or nuisance to the Occupants of other portions of the Development or which could result in a cancellation of any insurance for any portion of the Development, or which would be in violation of any law or governmental code or regulation. Any waste, garbage, or refuse materials produced, occurring or resulting from the permitted activities conducted within any portion of the Property shall be stored, processed and transported away from the Property in a safe, neat, clean, efficient, healthy and sanitary manner. Any and all streets, roadways, driveways, and right-of-ways, including Common Area, shall be kept and maintained in a clean, safe, neat and efficient manner. All such streets, driveways, walkways, and right-of-ways shall be kept reasonable clean and free of leaves, limbs, excess soil and any and all other types of debris.

9.14 Motor Vehicles, Trailer, Boats, Etc. Each Owner shall provide for parking of automobiles off of alleys, streets, roads and driveways within the Development prior to occupancy of the Dwelling owned or maintained by such Owner. Personal vehicles of Owners and their guests may be temporarily parked in driveways or on the street, but Owners shall not park any vehicles in the alleys behind the Dwellings at any time, on their driveways on a regular basis or on the street overnight. Subject to the terms of this Section, except wholly enclosed within a garage which has been approved by the Committee, there shall be no outside storage or overnight parking upon any Lot, street within the Development, Dwelling, or within any portion of the Common Areas of any mobile home, trailer (either with or without wheels), motor home, tractor, truck (other than standard size or compact pick-up trucks), camper, motorized camper or trailer, boat or other watercraft, boat trailer, or any other related forms of transportation devices, whether or not such vehicle is occupied. Provided, that unoccupied personal motor homes, travel trailers or

boats/personal watercraft may be parked in the driveway of a dwelling for no more than twelve hours for the purpose of preparing, loading and unloading for use. Furthermore, although not expressly prohibited hereby, the Board of Directors may at any time prohibit mobile homes, motor homes, campers, trailers of any kind, motorcycles, motorized bicycles, motorized go-carts, and other similar vehicles, or any of them, from being kept, placed, stored, maintained, or operated upon any portion of the Development if in the opinion of the Board of Directors such prohibition shall be in the best interest of the Development. No Owners or other Occupants of any portion of the Development shall repair or restore any vehicle of any kind upon or within any Lot or within any portion of the Common Areas, except: (i) within enclosed garages or workshops, or (ii) for emergency repairs, and then only to the extent necessary to enable the movement thereof to a proper repair facility.

9.15 Sales and Construction Activities. Notwithstanding any provisions or restrictions contained in this Declaration to the contrary, it shall be expressly permissible for Declarant and its agents, employees, successors, and assigns to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots and/or Dwellings or the developing of Lots, Dwellings, and Common Areas in the Development, including, without limitation, the installation and operation of construction trailers and sales offices, signs and model Dwellings; provided that the location of any construction trailers of any assignees of Declarant under this Section 9.15 shall be subject to Declarant's approval. **The right to maintain and carry on such facilities and activities shall include specifically the right to use Dwellings as model residences, and to use any Dwelling as an office for the sale of Lots and/or Dwellings and for related activities.**

9.16 Driveways. Private driveways from the street or alley to a Lot, Dwelling, or other improvements located on any Lot shall be concrete or other hard-surface approved by the Committee and shall be continuously maintained so as to avoid unsightly deterioration and the growth of the grass or any other plant on or through such surface. No driveway shall be constructed or altered without the prior written approval of the Committee, which shall consider the appearance, design and materials of said driveway and the effect the driveway may have on drainage affecting the Common Areas or any other Lot, or Dwelling.

9.17 Easements and Tenants. No Lot shall be further subdivided or separated into smaller lots or parcels by an Owner other than Declarant. No easement or other such partial interest in a Lot shall be conveyed or transferred by any Owner other than Declarant without the prior written approval of the Committee. No portion of a Lot, but for the entire Lot, together with the improvements thereon, may be rented to any tenant without the express written consent of the Board.

9.18 Grading and Excavation. Without the prior written approval of the Committee, no improvement shall be constructed or maintained upon any Lot that would in any way impede natural drainage. Without the prior written approval of the Committee, no grading, scraping, excavation or other rearranging or puncturing of any surface of any Lot shall be commenced which will or may tend to interfere with, encroach upon or alter, disturb or damage any surface or

subsurface utility line, pipe, wire, or easement. Any such interference, encroachment, alteration, disturbance, or damage due to the negligence or intentional act of an Owner or his or her agents, contractors, or representatives will be the responsibility of such Owner and the owner of the line, pipe, wire, or easement, the Association or the Declarant may effect all necessary repairs and charge the cost of the same to such Owner. All grading and excavation should be completed in such a manner to minimize damage to the root systems of existing trees. All cutting, crushing, compacting and/or covering roots of trees should be minimized.

9.19 Repair of Buildings. No building or structure upon any property within the Development shall be permitted to fall into disrepair, and each such building and structures shall at all times be kept in good condition and repair and adequately painted or otherwise finished.

9.20 Mineral Exploration. No property within the Development shall be used in any manner to explore for or to remove any oil or other hydrocarbons, minerals of any kind, gravel, or substantial amounts of earth or any earth substance of any kind for commercial purposes.

9.21 Machinery and Equipment. No machinery or equipment of any kind shall be operated upon or adjacent to any Lot except such machinery or equipment as is customary in connection with the approved use, maintenance, or construction of improvements, appurtenant structures, or other improvements. No machinery or equipment of any kind shall be parked, placed, maintained, constructed, reconstructed, or repaired upon any Lots in such a manner as will be visible from neighboring property; provided, however, that the provisions of this Section shall not apply to machinery and equipment which are actually in temporary use in conjunction with the maintenance or construction of a Dwelling, appurtenant structure or other improvements.

9.22 Utility Service. No lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings, or other structures, or otherwise are not visible from neighboring property, unless underground distribution systems are not available. No provisions hereof shall be deemed to forbid: (i) the erection of temporary power or telephone structures incident to the construction of improvements approved by the Committee, or (ii) the installation of overhead lines bringing utility service from outside the Development to a utility pole located within the Development; provided, that the utility service must go underground from such pole and that the location of such is approved in advance by the Committee.

9.23 Fluid Storage. No tank for the storage of any fluid may be maintained outside a building above the ground on any of the Lots or Dwellings without the prior consent of the Committee.

9.24 Waste Disposal Systems. All waste disposal systems shall be installed and maintained in accordance with the currently applicable City, County, State and Federal laws, rules, regulations and codes.

9.25 Additional Architectural Covenants.

9.25.01 Square Footage; Stories. No Dwelling or other structure shall be constructed on any Lot which has a height exceeding two (2) stories. All Dwellings constructed on Lots shall have a minimum of 1,400 square feet of living space (heated dwelling space). All Dwellings and structures constructed on Lots which possess multiple floors shall contain a minimum of 1,000 square feet of living space (heated dwelling space) within the first floor of any such Dwellings.

9.25.02 Exterior Materials; Paint Colors. The principal material, other than glass, of the exterior of each wall in all the buildings comprising the Dwelling on any Lot shall not be less than seventy-five percent (75%) brick, stone, stucco, concrete stucco or fiber cement board (e.g. James Hardie board) unless the Committee grants specific approval in writing to a lesser percentage. All paint colors shall be approved in advance by the Committee and shall be selected from approved Sherwin Williams historic color collections (or a substitute palette approved by the Committee if such collections are no longer available). The Committee shall have the right to deny any particular paint color in the interest of maintaining the aesthetics of the development, including considerations of concentration or repetition of any one or similar color.

9.25.03 Roofs. Acceptable roofing materials include composition shingles with a minimum of a thirty (30) year roof. All roofs shall be weathered wood grey, black or brown, or on mission-style homes only, terra cotta or blue, or a similar color but only as approved by the Committee. All roofs shall be constructed with a high profile ridge and a painted open W-valley, unless the design of the roof makes such valley impractical. All roofs shall have a pitch of not less than 4/12 except for a reasonable amount of covered exterior patio, which may be of lesser pitch.

9.25.04 Mailbox. All Dwellings must possess a mailbox constructed of metal with a wrought iron appearance, the design, style and location of which are to be approved in advance by the Committee.

9.25.05 Pools. Above ground pools shall not be allowed, other than small, movable children's pools with a capacity of 150 gallons or less which shall be located only in the back yard of any Dwelling.

9.25.06 Fences. All Fences must be approved by the Committee. No fence may be constructed, erected, placed or maintained:

- a. forward of the front corner of the Dwelling on each side of said Dwelling;
- b. across or over any Common Area or private drive;
- c. within four feet of the alley behind each Dwelling;
- d. alongside the Dwelling at any place where the Dwelling is located on the Lot boundary line.

All fencing will consist of a community standard (as set by the Developer) Ameristar product consistent within the development and shall be four feet in height. If the Ameristar product becomes unavailable or uneconomic in the opinion of the Committee, the Committee may select an alternate brand in a similar style.

Notwithstanding the foregoing, in Block 3, as shown on the Site Plan, cedar plank fencing with metal poles six feet in height is permissible on the South Lot line of Lot 1, and the North and South Lot lines of Lots 2 and 3 and the North Lot line of Lot 4. Such cedar plank fencing shall taper to four feet in height over the course of ten linear feet wherever such fence intersects with iron fencing. All other fencing in Block 3 shall be in compliance with this Section 9.25.06.

9.25.07 Basketball Goals. Basketball Goals are prohibited.

9.25.08 Garages. Garages may be attached or detached, and must be a minimum of two-car and a maximum of four-car capacity. Carports or similar open parking structures are prohibited.

Except for sales offices of Declarant, the utilization of any Dwelling or other structure, or any portion thereof, as an office by any owner or tenant thereof shall be considered to be a violation of this Declaration where such utilization of a Dwelling as an office creates any type of regular customer, client, or employee vehicular or pedestrian traffic to and from any such Dwelling. No Lot or any Dwelling or structure constructed on a Lot, or any portion thereof, shall be used as the office or storage area for any building contractor or real estate developer, except those sales offices of Declarant.

ARTICLE 10

RULE MAKING

10.01 Rules and Regulations. Subject to the provisions hereof, the Board of Directors and/or the Committee may establish reasonable limitations, rules and regulations, concerning the safe and appropriate use of Lots, Dwellings, Residents' Club, the Common Areas and facilities located thereon by Owners, Associate Members and the guests of each. In particular but without limitation, the Board of Directors may promulgate, from time to time, rules and regulations which shall govern use of the Common Areas, including the Residents' Club. Such rules and regulations may include fees or charges for and limitations on the number and frequency of non-member guests that may use the facilities of the Residents' Club. Copies of such rules and regulations, including

Building Guidelines, and amendments thereto shall be furnished by the Association to all Owners (which may be accomplished electronically or by posting, with notice, of such rules and regulations in a public place or online) prior to the effective date of such rules and regulations and amendments thereto. Such rules and regulations shall be binding upon the Owners, their families, tenants, guests, invitees, servants, and agents, until and unless any such rule or regulation be specifically overruled, canceled, or modified by the Board of Directors or in a regular or special meeting of the Association by the vote of the Owners, in person or by proxy, holding a majority of the total votes in the Association; provided that in the event of such vote, such action must also be approved by Declarant, for so long as Declarant owns any Lot primarily for the purpose of sale.

10.02 Authority and Enforcement. Subject to the provisions of Section 10.03 hereof, upon the violation of this Declaration, the Bylaws, Building Guidelines or any rules and regulations duly adopted hereunder, including, without limitation, the failure to timely pay any Assessments or charges, the Board shall have the power: (i) to impose reasonable monetary assessments, which shall constitute an equitable charge and a continuing lien upon the Lot, or the Owner, his or her family, tenants, or guests which are guilty of such violation, (ii) to suspend an Owner's or Associate Member's right (and the right of such Owner's or Associate Member's family, guests, and tenants of such Owner and their respective families, guests, and tenants) to use any of the Common Areas and/or (iii) to suspend voting rights of any such Owner, and the Board shall have the power to impose all or any combination of these sanctions. An Owner or Associate Member shall be subject to the foregoing sanctions in the event of such a violation by such Owner/Associate Member, his or her family, guests, or tenants. Any such suspension of rights may be for the duration of the infraction and for any additional period thereafter, not to exceed thirty (30) days. The Assessments levied and assessed as provided in this Section 10.02 herein shall be a lien upon the applicable Lot in the same manner as that provided for in Sections 8.08 and 8.09 herein. The effect of the non-payment of such Assessments and the remedies of the Association to enforce collection thereof shall be the same as those provisions provided in Section 8.09 herein.

10.03 Procedure. The Board may suspend rights to use the Common areas and Residents' Club immediately upon failure to pay Assessments or Annual Fee or for conduct by the Member or Associate Member or their families or invitees that, as determined by a vote of the Board: (i) is a threat to the safety of the Member, Associate Member or other persons, (ii) damages or is likely to damage the property of the Association or others or (iii) is outside the norms for decorum, civility or good behavior, including the abuse of alcohol or other legal substance or the use of any illegal substance on the premises of the Resident's Club. Subject to the foregoing, and except with respect to the failure to pay Assessments or charges (including charges imposed pursuant to this Declaration for failing to maintain any portion of a Lot), the Board shall not impose an assessment, suspend voting rights, or infringe upon or suspend any other rights of an Owner or other Occupant of the Development for violations of the Declaration, the Bylaws, or any rules and regulations, including Building Guidelines, of the Association, unless and until the following procedure is followed:

10.03.01 Demand. Written demand to cease and desist from an alleged violation shall be served upon the Owner responsible for such violation specifying: (a) The alleged

violation; (b) The action required to abate the violation; and (c) A time period of not less than ten (10) days during which the violation may be abated without further sanction, if such violation is a continuing one, or, if the violation is not a continuing one, a statement that any further violation of the same provision of this Declaration, the Bylaws, or of the rules and regulation of the Association may result in the imposition of sanctions after notice and hearing.

10.03.02 Notice of Hearing. Within twelve (12) months of such demand, if the violation continues past the period allowed in the demand for abatement without penalty, or if the same violation subsequently occurs, the Board may serve such Owner with written notice of a hearing to be held by the Board in executive session. The notice shall contain: (a) The nature of the alleged violation; (b) The time and place of the hearing, which time shall be not less than ten (10) days from the giving of the notice; (c) An invitation to attend the hearing and produce any statement, evidence, and witnesses on his behalf; and (d) The proposed sanction to be imposed.

10.03.03 Hearing. The hearing shall be held in executive session of the Board of Directors pursuant to the notice and shall afford the alleged violator a reasonable opportunity to be heard. Any sanctions and Assessments levied by the Board of Directors according to the terms and provisions of this Article 10 shall be established by a majority vote of the Directors present at the above-referenced hearing. No such hearing shall be undertaken with less than a duly constituted quorum of the Board of Directors. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice together with a statement of the date and manner of delivery is entered by the officer, director, or other individual who delivered such notice. The notice requirement shall be deemed satisfied if an alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction imposed, if any.

10.04 Arbitration. The arbitration procedure set forth in this Section will be the sole and exclusive method for resolving and remedying any dispute (a “**Dispute**”) arising under, out of, in connection with, or related to any of the following: this Declaration, or any provision thereof, or the making or validity thereof, or the interpretation thereof, or any violation or breach or alleged violation or breach thereof, or any failure to enforce or alleged failure to enforce. Arbitration shall be conducted in accordance with the Rules of the American Arbitration Association (the “**Rules**”) in Oklahoma City, Oklahoma. Arbitrators will be selected in accordance with the Rules. The determination of the American Arbitration Association as to the resolution of the Dispute shall be binding. The arbitrators shall so conduct the arbitration such that a final result, determination, finding, judgment and/or award (the “**Final Determination**”) is made or rendered as soon as practicable. The Final Determination shall be final and binding on all parties, and there shall be no appeal from or reexamination of the Final Determination, except for fraud, perjury, evident partiality or misconduct by an arbitrator prejudicing the rights of any party and to correct manifest clerical errors. The injured party shall be entitled to payment from the other party immediately upon Final Determination based on the Final Determination whether by payment, settlement, judgment, arbitrator’s decision or other resolution of the claim. The arbitration procedures and any Final Determination under this Section shall be governed by, and shall be enforced pursuant

to, applicable Oklahoma law. Notwithstanding anything contained herein to the contrary, nothing in this Section shall prohibit litigation to enforce any Final Determination.

ARTICLE 11

GENERAL PROVISIONS

11.01 Control by Declarant. NOTWITHSTANDING ANY OTHER LANGUAGE OR PROVISION TO THE CONTRARY IN THIS DECLARATION, IN THE CERTIFICATE OF INCORPORATION, OR IN THE BYLAWS OF THE ASSOCIATION, Declarant hereby retains the right to appoint and remove any member or members of the Board of Directors of the Association and any officer or officers of the Association until such time as the first of the following events shall occur: (i) the expiration of twenty (20) years after the date of the recording of this Declaration; or (ii) the surrender by Declarant of the authority to appoint and remove directors and officers of the Association by an express amendment to this Declaration executed and recorded by Declarant; or (iii) Declarant sells one hundred percent (100%) of the Lots in the Development. Each Owner, by acceptance of a deed to or other conveyance of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided by this Section 11.01. Every grantee of any interest in the Development, by acceptance of a deed or other conveyance of such interest, agrees that Declarant shall have the authority to appoint and remove directors and officers of the Association in accordance with the foregoing provisions of this Section 11.01. Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section 11.01, such right shall pass to the Owners, including Declarant if Declarant then owns one or more Lots or Dwellings, and a special meeting of the Association shall be called within a reasonable time thereafter. At such special meeting the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board of Directors, and Declarant shall deliver all books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during such period and which Declarant has in its possession.

11.02 Amendments by Declarant. During any period in which Declarant retains the right to appoint and remove any directors and officers of the Association, Declarant may amend this Declaration by an instrument in writing filed and recorded in the records of the Office of the County Clerk of Oklahoma County, Oklahoma, without the approval of any Owner or Mortgagee; provided, however, that: (i) in the event that such amendment materially and adversely alters or changes any Owner's right to the use and enjoyment of his or her Lot, or the Common Areas as set forth in this Declaration or adversely affects the title to any Lot, such amendment shall be valid only upon the written consent thereto by a majority in number of the then existing Owners affected thereby, or (ii) in the event that such amendment would materially and adversely affect the security, title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees so affected. Any amendment made pursuant to this Section 11.02 shall be certified by Declarant as having been duly approved by Declarant, and by such Owners and Mortgagees, if required, and shall be effective only upon recordation or at such later date as

shall be specified in the amendment itself. Each Owner, by acceptance of a deed or other conveyance to a Lot grants to Declarant a power of attorney to make such amendments as are permitted by this Section 11.02 relating to the Development: (a) if such amendment is necessary to bring any provision hereof or thereof into compliance or conformity with the provisions of any applicable governmental statute, rule, or regulation or any judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to any Lots or Dwellings subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on a Lot, or other improvements subject to this Declaration; or (d) if any such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on the Lots, Dwellings, or other improvements subject to this Declaration.

11.03 Amendments by Association. Amendments to this Declaration, other than those authorized by other Sections hereof, shall be proposed and adopted in the following manner:

11.03.01 Notice. Notice of the subject matter of the proposed amendment shall be included in the notice of the meeting of the Association at which such proposed amendment is to be considered and shall be delivered to each member of the Association.

11.03.02 Approval. At such meeting, a resolution adopting a proposed amendment may be proposed by either the Board of Directors or by the Owners. Such amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in the Association in both Class A and Class B, if applicable; provided, however: (a) that any amendment which materially and adversely affects the security title and interest of any Mortgagee must be approved by such Mortgagee, and (b) during any period in which Declarant owns a Lot primarily for the purpose of sale, such amendment must be approved by Declarant.

11.03.03 Effectiveness. The agreement of the required percentage of the Owners and, where required, Declarant and any Mortgagee, to any amendment of this Declaration shall be evidenced by their execution of such amendment. Any such amendment of this Declaration shall become effective only when recorded or at such later date as may be specified in the amendment itself.

11.04 Enforcement. Each Owner shall comply strictly with the Bylaws and the published rules and regulations, including Building Guidelines, of the Association adopted pursuant to this Declaration, as either of the same may be lawfully amended from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and in the deed or other instrument of conveyance to his or her Lot, if any. Failure to comply with any of the same shall be grounds for imposing Assessments, for suspending voting rights or rights of use in and to any Common Area, or for instituting an action to recover sums due, for damages, and/or for injunctive relief, such actions to be maintainable by Declarant, the Board of Directors on behalf of the Association, or, in a proper case, by an aggrieved Owner. Should Declarant or the Association

employ legal counsel to enforce any of the foregoing, all costs incurred in such enforcement, including court costs and attorneys' fees, shall be paid by the violating Owner. Inasmuch as the enforcement of the provisions of this Declaration, the Bylaws, and the rules and regulations of the Association are essential for the effectuation of the general plan of development contemplated hereby and for the protection of present and future Owners, it is hereby declared that any breach thereof may not adequately be compensated by recovery of damages and that Declarant, the Association, or any aggrieved Owner, in addition to all other remedies, may require and shall be entitled to an injunction to restrain any such violation or breach or any threatened violation or breach. No delay, failure, or omission on the part of Declarant, the Association, or any aggrieved Owner in exercising any right, power, or remedy herein provided shall be construed as an acquiescence thereto or shall be deemed a waiver of the right to enforce such right, power, or remedy thereafter as to the same violation or breach, or as to a violation or breach occurring prior or subsequent thereto, and shall not bar or affect its enforcement. No right of action shall accrue nor shall any action be brought or maintained by anyone whatsoever against Declarant or the Association for or on account of any failure to bring any action on account of any violation or breach, or threatened violation or breach, by any Person of the provisions of this Declaration, the Bylaws, or any rules and regulations of the Association, however long continued.

11.05 Duration. The provisions of this Declaration shall run with the land and shall bind title to the Property, shall be binding upon and inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, legal representatives, successors, and assigns, and shall be and remain in effect for a period of thirty (30) years from and after the date of the recording of the Declaration; provided that rights and easements which are stated herein to have a longer duration shall have such longer duration. Upon the expiration of said thirty (30) year period, this Declaration shall be automatically renewed for successive ten (10) year renewal period, unless seventy-five percent (75%) of the total votes of the Association are cast in favor of terminating this Declaration at the end of the then current term. In the event that the Association votes to terminate this Declaration, an instrument evidencing such termination, shall be filed of record in the Office of the County Clerk for Oklahoma County, Oklahoma, such instrument to contain a certificate wherein the President of the Association states under oath that such termination was duly adopted by the requisite number of votes. Every Owner of any interest in any Property, by acceptance of a deed or other conveyance therefore, thereby agrees that the provisions of this Declaration shall run with the land and shall bind title to the Property as provided hereby.

11.06 Interpretation. In all cases, the provisions set forth or provided for in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of Declarant or the Board of Directors, will best effect the intent of the general plan of the Development. The provisions hereof shall be liberally interpreted, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective. The provisions of this Declaration shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less restrictive. The effective date of this Declaration shall be the date of its filing for record in the Office of the County Clerk for Oklahoma County, Oklahoma.
